

LEVITT JEANNE M. DIZON

PROFILE

Levitt Jeanne Manalad Dizon

I am a third-year Media Arts student at Lyceum of the Philippines University, with a strong passion for both traditional and digital arts. As I continue to build my foundation in various art forms, I am honing my skills in illustration and graphic design software such as Adobe Photoshop and Illustrator. My goal is to further develop my creative abilities and apply them in professional settings, with a focus on innovative visual storytelling.

EDUCATION

**LYCEUM OF THE PHILIPPINES
UNIVERSITY MANILA**

SKILLS

Skills

Traditional Arts: Skilled in drawing and sketching, with a focus on conceptual designs and creativity.

Digital Arts: Proficient in beginner-level Photoshop and Adobe Illustrator, continuously improving in digital illustration and design.

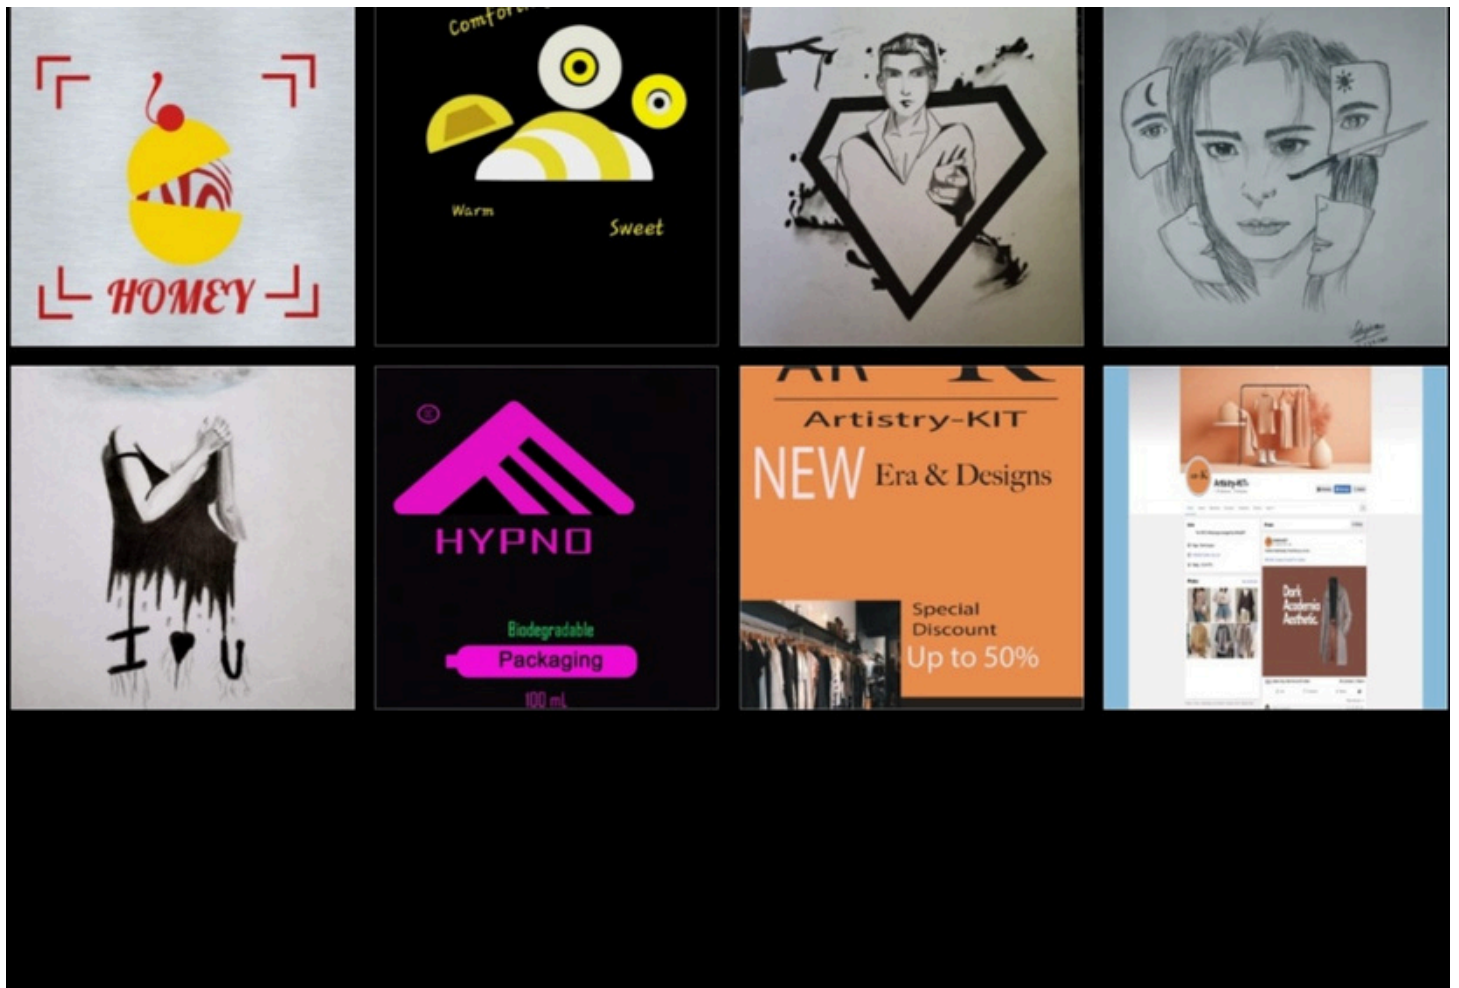

Creative Thinking: Ability to conceptualize and execute creative projects, both manually and digitally.

VOLUNTEER EXPERIENCE

Experience

Although I have no formal work experience yet, I am actively working on personal projects and academic assignments that help develop my skills in digital media. I also participate in creative activities that enhance my proficiency with design tools and software.
